RIICHI

Have a concealed hand waiting one last tile to win

Riichi

Tilt your discard tile to indicate when the Riichi took place

Bet 1000 points

Riichi is a 1 han yaku which can be used alone, or combined with other yakus

In case of victory in the first uninterrupted turn following the Riichi, +1 han (ippatsu)

In the event of a victory, uradora indicators are revealed, which can bring bonus han

Once you have announced a Riichi, you can no longer change your hand
